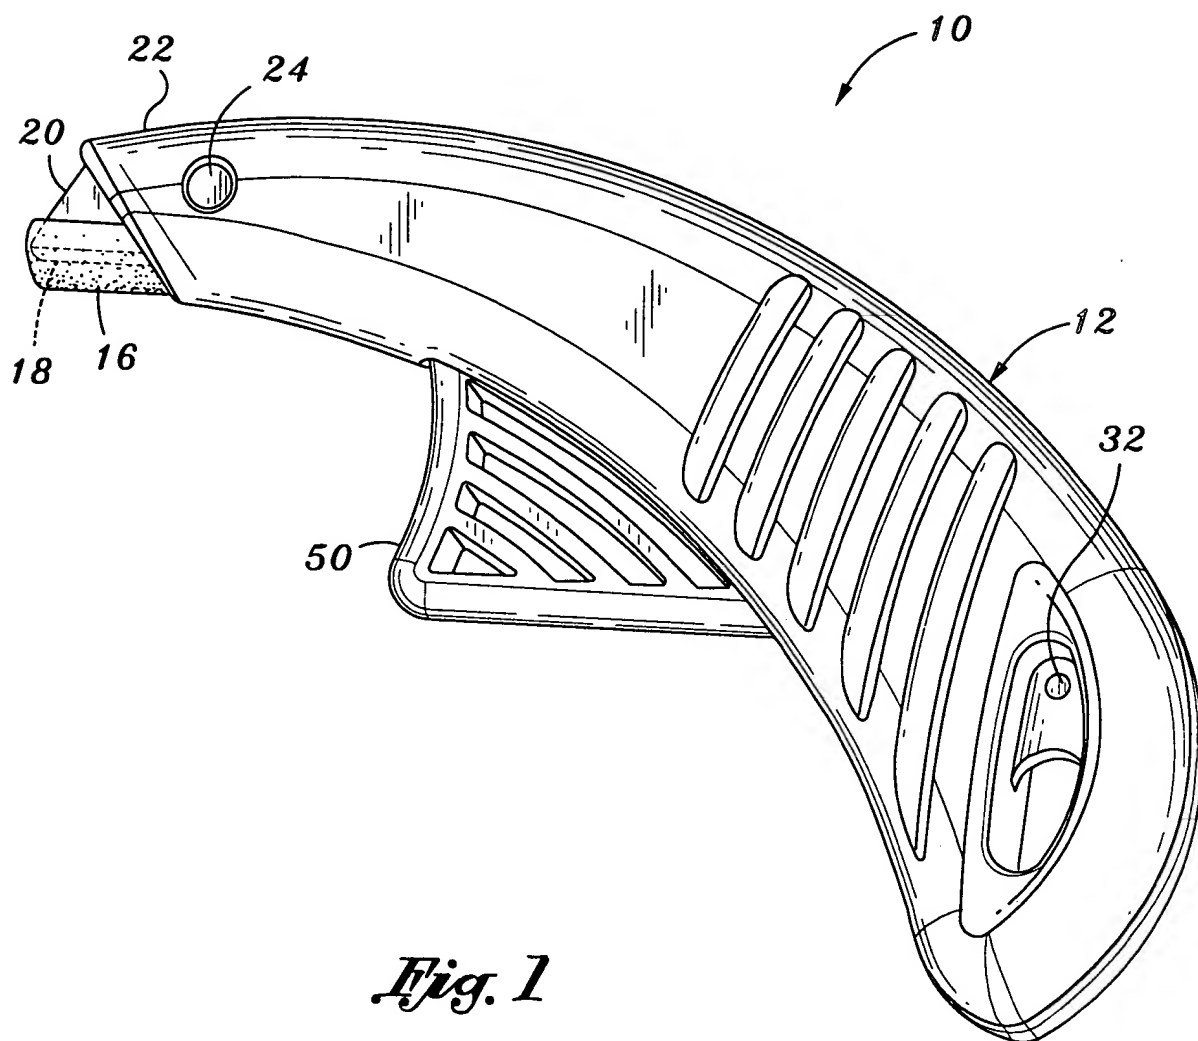

Fig. 1

FIG. 1 is a perspective view of a curved, ribbed mechanical component, likely a fan or impeller, showing a series of curved ribs (12) and a central hub (32). The component is labeled 10. A small circular feature (24) is visible on the upper surface. The component is shown in a perspective view, with a dashed line indicating a hidden edge (18). Other labels include 20, 22, 16, 50, and 32.
